

Understanding by Design Unit Reflection

Questions to Consider	Reflection
What was good about this unit?	

Did your essential questions reflect the teaching you did?

Did your students master your understandings?

How well did this unit meet the needs of my learners?

How well did the students engage with the task?

How well did it challenge students?

How well did it address the outcomes selected?

It would have been good to have...

If I adapted / modified this unit I would...
